Lord we desire
To be here with You
We thirst for Your presence
And hunger for truth
Here as one body
We have one King
There is one hope
With one voice we sing

Lead us to righteousness
Lead us to Your glory, oh God
Fill us with Your Spirit and reign
Over all, and in all
Let Your kingdom come through us

Let Your glory shine uniting us
Let Your glory shine uniting us
Let Your glory shine uniting us
As we hunger and thirst for righteousness
