

No Matter the Cost

by Jeff Kaufman | Jeff Polen | Jill Troyer

G C2
What can we do to make a difference in this world?
Em C2
Can we really touch a life? Can we show them Jesus Christ?
G C2
What can we give? We have nothing on our own
Em C2
Let us be Your hands and feet, may we follow where You lead

G D
Give us Your light so we can shine like the stars
Em C2
Pour out Your love on us, Lord give us Your heart
G D
Let us unite to serve the broken and lost
Em C2
We give our lives to you, no matter the cost
G C2
No matter the cost

What can we say to a world in need of You?
They watch our every move, may we simply live the truth
What can we pray to see Your Kingdom come?
The harvest fields are ripe, oh God we need Your light

G D/F#
We are willing God, we will go
Em C2
We are willing God, we will go
G D/F#
Where You lead us, God, we will go
Em C2
Where You lead us God, we will go

G D/F#
To the lost, to the broken, we will go with arms wide open
Em C2
We will go to Your daughters, to Your sons we will go, we will love
